## ABOUT US OUR STORY

Since our inception we have learn to consider having a good relationship with our client, the most precious gift.

The company was founded more than 5 years ago and started with just 15 employees It has long since grown to become one of the most competitive construction company in the region boasting over 300 employees with the state of the art equipment, all ,meticulously maintained.

We have worked with many clients in our period of existence and our clients can surely testify of our record in getting work done on time and according to the brief. We are grateful that through the years our company has seen steady growth.

We believe in taking care of our clients and creating lasting relationships. We have been building and working on landmarks that will surely outlive us because we believe that our work is solid. We hope that our work will speak for us for generations to come.

## ABOUT US

# WHO WE ARE

We are a multidisciplinary Transport and Logistics, Mining engineering construction company dealing in Marine, Civil, Electrical and Mechanical construction.

We offer design and build services (EPCM) in the multidisciplinary.

We boast a wealth of skills in Mining, Logistics, procurement, engineering, project and construction management from our experienced professionals.

We have an annual turnover of 12 million dollars.

Our strength lies in planning and the shortest turn around time of 12 hours to our esteemed clients.

## ABOUT US

# MISSION & VISION

**Our Mission** is to become the highest acclaimed construction company in the region providing bespoke solutions in the industry at the most competitive prices in the market while ensuring that the environment is safe guarded.

**Our vision** is to revolutionise the approach of construction in the region by employing the most advanced construction technologies and solutions.

**OUR EQUIPMENT ARE WELL MAINTAINED. WE HAVE A RANGE OF MACHINERY TO GET ALL FORMS OF CONSTRUCTION AND EARTH MOVING WORK DONE. OUR OPERATORS ARE WELL TRAINED AND QUALIFIED. APART FROM SOURCING MATERIALS FOR YOU, WE ALSO HAVE OUR OWN QUARRIES SO THAT WE ENSURE THE MATERIAL YOU PURCHASE FROM US IS OF THE HIGHEST QUALITY POSSIBLE.**

## WHAT WE DO SERVICES

### MINING

The company has portfolio of highly prospective and strategic assets which provide a pipeline of opportunities. Our earth moving machines are well serviced and maintained. They are operated by a team that has vast experience in mining field.

### Civil Engineering Structures and Roads Construction

Dot Cee also offers civil and structural engineering services and construction ranging from steel structures erections, reinforced concrete structures and road construction in gravel, paving blocks, concrete, bitumen roads and associated drainage structures.

### Building Construction

We at Dot cee have vast experience in the building Industry. We are proud to have been involved in the construction of high-rise and low-rise residential and commercial buildings. We have also worked on various institutional buildings.

### CIVIL WORKS

Dot cee has done various civil works construction for many years in Kenya. Our scope of work has ranged from Earthworks, outdoor equipment foundations, oil pits, cable trenches, control building, fences, boundary walls, drainage, internal and access roads
